

The Association of Running Clubs
RACE PERMIT APPLICATION

Road/ Cross Country/ Multi Terrain/Trail (delete as applicable)

Important - Conditions

It is a condition of the permit, and the associated Insurance, that Race Organisers must:

- Carry out a written Risk Assessment prior to the date of the event for which the permit is issued. In signing this application the Organiser agrees that a written Risk Assessment will be prepared and will be made available for inspection, if requested, by any authorised representative of ARC, the emergency services or the local authority on the day of, or prior to, the event. A copy will be retained by the Organiser for 3 years after the event.
- Ensure that the event complies with the Minimum Standards set out on the attached Form (Arc 004) which is an integral part of this application and which the Organiser should sign separately
- Impose an additional entry fee of £2 for all entries accepted from unattached runners who are not current members of Clubs affiliated either to ARC or UK Athletics. The organiser must remit 35% of the these additional entry fees to ARC together with a Post Race Report Form (ARC 005) within 30 days after the date of the event.
- If a Road Race advertises a specific distance in its race literature the course must have been measured by an accredited course measurer using an approved measurement device (Jones Counter).
See Application for Course Measurement.
